## Décor Price Guide

Our decorating team are experts at transforming any venue into an elegant scene. We have full service decorating packages, a la carte pricing, and some of our items are rentable for you to set up yourself.

Prices are subject to change at any time unless a contract agreement is signed.

Centerpieces are all custom made on a wedding-to-wedding basis so we don't offer any set prices. We work with you to design centerpieces that are tailored to your style and customized to fit your budget. We suggest scheduling a bridal consultation to discuss your wedding plans in detail. Following your consultation you will receive an itemized price quote via email for you to review. Consultations are by appointment only and are complimentary.
