Floral Price Guide

Every wedding is unique, and for this reason we do not offer any set prices for flowers. There are many variables that make flower cost go up such as flower type, how many different flowers and colors are used in a bouquet, if we're adding a special handle, or bling, and what time of year your wedding is. We will work with you to design wedding flowers that are tailored to your style and customized to fit your budget. We require a 50% non-refundable deposit to hold your wedding date. Prices are subject to change at any time unless a contract agreement is signed. Consultations are by appointment only. To help you understand our pricing, we have several of our bouquets shown below with how much they cost.
