Self-Serve Full Service Packages

Our Self-Serve packages are everything that our Full Service packages are, with the exception of we do not set anything up. With these packages, you would pick everything up (linens, flowers, decorations, etc.) and set it up yourself. This cuts out a huge cost to help save you money. We require a non-refundable down payment of 50% of the package price to hold your wedding date. Prices are subject to change at any time unless a contract agreement is signed.
